The Plastic Katana's

THE PLASTIC KATANA'S

Down in the deep forests of China, was Cypher's son, Cycons- running, trying to escape from the worlds deadliest assassin, Raven.

But he has no hope ofcourse.

As Raven catches up on him, he slides and catches a branch, to surprise her. Finally after a few long hours of cat and mouse catching. She takes him prisonerâ€¦..

And then the head-slicing. She takes out her Katanas, and out scream a voice-

"GO! GO! POWER RANGERS GO!

And then, basically, she goes and beats up Otto.

End
file.
